

**2016 Antonelli San Marco Spoleto
Trebiano Spoletino Trebium**

The 2016 Spoleto Trebiano Spoletino Trebium is a delightful wine both in appearance and in substance. It shows a light and luminous impression. The bouquet is beautifully redolent of honey, sweet summer peach, cantaloupe melon and spicy saffron or cumin. In the mouth, it delivers and has a mildly creamy (but lightweight) consistency. Some 15,500 bottles were produced. You get great value with this Umbrian white.
